

Dear Valued Clients:

November 11, 2020

It is with a heavy heart and great sadness, that I must inform you that Global Therapeutic Massage & Wellness will be permanently closing its doors on Dec 31, 2020. The COVID Pandemic is too unstable and it has had a great impact on my business. As we all know the case numbers are rising daily and we must keep everyone safe. We have fought the fight to stay open throughout the pandemic, following all protocols put in place by the CMTO and Public health, but ultimately the COVID Pandemic has decided our fate.

We would like to say thank you from the bottom of our hearts for the support you have provided us since we opened our doors. It has been a pleasure serving you and we look forward to seeing you all before we close our doors.

I also want to say thank you for helping me see my dream come true, even if it was only for a short time. I am and always will be eternally grateful.

Please follow me on Facebook so you can see any updates and I am always going to be there to help you out with any questions or concerns.

So again, I thank you all so much for the support you have and continue to have for the Global Therapeutic Massage & Wellness Team, for now I will not say goodbye, but see you soon.

Sincerely,

Jenn DeLeskie
